Dear Silas,

As a fellow massage therapist who has been working in Maryland for eleven years, and as the First Vice President of your AMTA Maryland Chapter, I am reaching out to you today to ask for your support in a legislative effort.

Thursday, February 9th is the American Massage Therapy Association (AMTA) Legislative Day in Annapolis.

Legislative Day is our chance to make a great impression, show support, and meet legislators and their aides. With the passage of the HB1420 last year, we now have our own state massage board. We want to have a great showing, and express our gratitude to our legislators.

Can you join us for the day on February 9th? We will be offering seated massage from 9am to 1pm for the Legislators and their aides. Lunch will be provided and parking will be reimbursed. Please bring a chair if you can.

AMTA is a member driven organization that is active on a state level around the country to bring about legislation that supports and protects qualified massage therapists.

Please RSVP by registering for the event below, and let us know you are coming. Our Secretary, Rosa Compton is organizing the day will follow up with all of the details, directions, and info.

Thanks for joining us and for any other support you can offer.

Best wishes,

Amelia
